

Letter from Managing Director

Re: Vaccinations records

As you would no doubt be aware, the West Australian State Government mandated COVID vaccinations for all FIFO workers (link provided below).

<https://www.wa.gov.au/government/announcements/covid-19-vaccine-mandatory-fifo-and-other-resources-sector-workers>

What this means for us is that no matter what client site you are working on, vaccination will be mandatory to be able to travel to site in the future.

The key dates that you need to be aware of are:

- Must have your first vaccination by the 1st December 2021
- Must have your second vaccination by 1st January 2022

Please get on your front foot and get your first vaccination ASAP, do not wait until the last minute to book in, the first deadline is less than 2 months away, you can book in for a vaccination through the following link

<https://rollup.wa.gov.au/>

We have some staff who are hesitant, weary or even completely against being vaccinated.

If you are researching and talking to people about the vaccination, please ensure that your sources are credible and that you are not being supplied misinformation. Below is a link that contains credible information and FAQ regarding the vaccination.

<https://www.health.gov.au/initiatives-and-programs/covid-19-vaccines/is-it-true>

As with anything regarding your health you should listen to the advice of health professionals and other trusted sources. Health professionals are updated with the latest information throughout the COVID-19 pandemic.

If you have concerns regarding vaccination, please make an appointment to visit your doctor or another health professional to discuss your concerns.

In the meantime, as you receive your vaccinations please send a copy of your vaccination record to Winnie. This will allow us to be organised and ensure staff travelling to site comply with WA Government regulations and keep the whole team safe.

You can access a copy of your vaccination record through the My Gov website

<https://my.gov.au/LoginServices/main/login?execution=e2s1> you will need to link your Medicare account so have your Medicare card handy when logging on.

Appreciate your prompt action on this matter, we will be in touch with you all to confirm vaccination status in the near future.

Andy Yang
Managing Director
Black Diamond Drilling Services Australia Pty Ltd
